thereunto belonging to, or in anywise appertaining, unto the Trustee, his successors in trust and assigns, in fee simple
forever.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements,
appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be
covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right
to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record.
Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any
encumbrances of record.

ADVANCES. During the Draw Period described in the Agreement, the Borrower may repeatedly take and
repay any advances that Lender makes to Borrower under the terms of the Agreement and this Security Instrument,
subject to the terms that the Agreement and this Security Instrument impose. The Agreement and this Security
Instrument will remain in full force and effect notwithstanding that the Account Balance under the Agreement may
occasionally be reduced to an amount of equal to or less than zero.

Any amounts that Lender advances to Borrower in excess of the Credit Limit will be secured by the terms of
this Security Instrument unless applicable law prohibits the same. Lender shall not be obligated to increase the Credit
Limit formally or to make additional Advances in excess of the Credit Limit stated in the Agreement even though the
Credit Limit has been exceeded one or more times. The Draw Period may or may not be followed by a Repayment
Period, as described in the Agreement, during which additional Advances are not available. During both the Draw
Period and the Repayment Period the Lender may, at its option, make Advances from the Account to pay fees,
charges, or credit insurance premiums due under the Agreement or this Security Instrument, or make other Advances
as allowed by this Security Instrument.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with
limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Secured Debt. Borrower shall pay when due all Secured Debt in accordance with the Agreement and this Security Instrument. All payments shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Agreement or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Agreement or Security Instrument be by a method of Lender's choosing. These methods include, but are not limited to: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Billing Statement or at such other location as may be designated by Lender in accordance with the notice provisions provided in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Account current. Lender may accept any payment or partial payment insufficient to bring the Account current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Agreement and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. All payments accepted by Lender shall be applied to the Secured Debt under this Security Instrument as provided in the Agreement unless Applicable Law provides otherwise. Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Agreement shall not extend or postpone the due date, or change the amount, of the Minimum Payment.

3. Funds for Escrow Items. Borrower shall not be required to pay into escrow amounts due for taxes, assessments, leasehold payments, or other insurance premiums unless otherwise agreed in a separate writing.

4. Charges; Liens; Prior Security Interests. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in a manner provided in Section 3.

Borrower shall promptly discharge any lien, other than the Approved Prior Loan, which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, other than the Approved Prior Loan, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth in this Section.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with the Agreement; Borrower shall pay when due, or shall cause to be paid when due, all sums required under the loan documents evidencing the Approved Prior Loan and shall perform or cause to be performed all of the covenants and agreements of Borrower or the obligor set forth in such loan documents. All of Lender's rights under this Covenant shall be subject to the rights of the holder of the Approved Prior Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Agreement. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and mapping services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes

occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section shall become additional Secured Debt of Borrower and secured by this Security Instrument. These amounts shall bear interest at the Agreement rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment and be subject to the terms of the Agreement and the Security Instrument.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgagee clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgagee clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Agreement or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Agreement or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of the Agreement and Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower resides on the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Home Equity Line of Credit Application Process; Default. Borrower shall be in default if, during the Account application process, or at any time during the term of the Agreement, Borrower or any persons or entities acting in the direction of Borrower or with Borrower's knowledge or consent give materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Account. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

Borrower is also in default if: 1) Borrower engages in fraud or makes a material misrepresentation at any time in connection with Borrower's Account; 2) Lender does not receive the full amount of any Minimum Payment due or Borrower fails to meet any of the other repayment terms of the Agreement; 3) Borrower's action or inaction adversely affects the Property or Lender's rights in it. Examples of these actions or inactions include, but are not limited to: a) Borrower's death, if Borrower is the sole person on the Account; or the death of all but one borrower which adversely affects Lender's security; b) Illegal use of the Property, if such use subjects the Property to seizure; c) Transfer of all or part of the Borrower's interest in the Property without Lender's written consent; d) All or part of the Property is taken by condemnation or eminent domain; e) Foreclosure of any senior lien on the Property; f) Failure to maintain required insurance on the Property; g) Waste or destructive use of the Property which adversely affects Lender's security; h) Failure to pay taxes or assessments on the Property; i) Permitting the creation of a senior lien on the Property other than an Approved Prior Loan; j) Filing of a judgment against Borrower, if the amount of the judgment and collateral subject to the judgment is such that Lender's security is adversely affected.

Lender may, at its option, take lesser actions than those described at the beginning of this Section. Such lesser actions may include, without limitation, suspending Borrower's Account and not allowing Borrower to obtain any further Advances, reducing Borrower's Credit Limit, and/or changing the payment terms on Borrower's Account. If Lender takes any such actions, this shall not constitute an election of remedies or a waiver of Lender's right to exercise any rights or remedies under the remainder of this Section, the remaining provisions of the Agreement, the Security Instrument, or at law or in equity. Lender may take action under this Section only after complying with any notice or cure provisions required under Applicable Law. In the event Lender elects not to terminate the Account or take any lesser actions provided in this Section, Lender does not forfeit or waive its right to do so at a later time if any of the circumstances described above exists at that time.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any a

lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including his secured position in a bankruptcy proceeding. Lender may without notice, perform or cause to be performed any covenant of Borrower in this Security Instrument, and Borrower appoints Lender as attorney in fact to sign Borrower's name. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take this action, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section.

Any amounts disbursed by Lender under this Section shall become additional Secured Debt of Borrower secured by this Security Instrument, payable according to the terms of the Agreement and this Security Instrument. These amounts shall bear interest at the Agreement rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. **Mortgage Insurance.** Borrower is not required to obtain Mortgage Insurance unless otherwise agreed in writing.

11. **Assignment of Miscellaneous Proceeds; Forfeiture.** All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in the Agreement and this Security Instrument.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the Secured Debt immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the Secured Debt immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, and Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the this Security Instrument, whether or not then due.

"Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be otherwise applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of this Security Instrument granted by Lender to Borrower or any Successors in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Agreement (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Agreement without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender.

14. Agreement/Account Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Account is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other Account charges collected or to be collected in connection with the Account exceed the permitted limits, then: (a) any such Account charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Agreement or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Agreement). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given

to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Agreement conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Agreement which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Agreement and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 13 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender or causes Lender to be paid all sums which then would be due under this Security Instrument and the Agreement as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the this Security Instrument, shall remain unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal

agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Change of Servicer; Notice of Grievance. The Agreement or a partial interest in the Agreement (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Servicer") that collects the amounts due under the Agreement and this Security Instrument and performs other mortgage loan servicing obligations under the Agreement, this Security Instrument, and Applicable Law. There also might be one or more changes of the Servicer unrelated to a sale of the Agreement. If the Agreement is sold and thereafter the Agreement is serviced by a Servicer other than the purchaser of the Agreement, the servicing obligations to Borrower will remain with the Servicer or be transferred to a successor Servicer and are not assumed by the Agreement purchaser unless otherwise provided.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party and allowed the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and reasonable time to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice as required by Applicable Law prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument or the Agreement (but

not prior to acceleration under Section 18 of the Security Instrument unless Applicable Law provides otherwise). Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Release. Upon Borrower's request, and upon payment in full of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Lender may charge a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and abilities conferred upon Trustee herein and by Applicable Law.

25. Waivers. Borrower waives all right of homestead, equity of redemption, statutory right of redemption and relinquishes all other rights and exemptions of every kind, including, but not limited to, a statutory right to an elective share in the Property.

26. Commercial Purposes. If Borrower is, or will be, occupying and using the Property other than as Borrower's principal residence or as a second home, then this Security Instrument secures obligatory advances for commercial purposes.

27. Right to Reduce Credit Limit; Return of Access Devices; Continuing Obligations. Borrower has the right to reduce the Credit Limit secured by this Security Instrument, whether or not advances to be made are obligatory or optional, to an amount not less than the amount of principal indebtedness shown on the most recent statement of the Borrower's Credit Account received by Borrower, plus the amount of any advances initiated by Borrower subsequent to that statement, by giving a notice of limitation to Lender, and filing a copy thereof for recordation in the appropriate register's office as an amendment to this Security Instrument, in accordance with the provisions of Applicable Law, including but not limited to, Tenn. Code Ann. Section 47-28-105. Upon the giving of such a notice of limitation, Borrower shall return to Lender any and all checks, credit cards, or other devices to obtain further advances upon Lender's request. The serving and recording of a notice of limitation shall not relieve Borrower from the obligation to pay any amounts due or to become due to Lender, or from the performance of any other obligations under this Security Instrument, or the Agreement, or any other note or agreement evidencing obligations thereunder.

**BENEFICIARY REQUESTS NOTICE OF ANY ADVERSE ACTION
THAT A PRIORITY LIEN HOLDER TAKES WITH REGARD TO
THE PROPERTY, INCLUDING DEFAULT AND FORECLOSURE**

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

**EXHIBIT D - INDIVIDUAL DEBTOR'S STATEMENT OF COMPLIANCE WITH
CREDIT COUNSELING REQUIREMENT**

Warning: You must be able to check truthfully one of the five statements regarding credit counseling listed below. If you cannot do so, you are not eligible to file a bankruptcy case, and the court can dismiss any case you do file. If that happens, you will lose whatever filing fee you paid, and your creditors will be able to resume collection activities against you. If your case is dismissed and you file another bankruptcy case later, you may be required to pay a second filing fee and you may have to take extra steps to stop creditors' collection activities.

Every individual debtor must file this Exhibit D. If a joint petition is filed, each spouse must complete and file a separate Exhibit D. Check one of the five statements below and attach any documents as directed.

1. Within the 180 days **before the filing of my bankruptcy case**, I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit counseling and assisted me in performing a related budget analysis, and I have a certificate from the agency describing the services provided to me. *Attach a copy of the certificate and a copy of any debt repayment plan developed through the agency.*

2. Within the 180 days **before the filing of my bankruptcy case**, I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit counseling and assisted me in performing a related budget analysis, but I do not have a certificate from the agency describing the services provided to me. *You must file a copy of a certificate from the agency describing the services provided to you and a copy of any debt repayment plan developed through the agency no later than 14 days after your bankruptcy case is filed.*

3. I certify that I requested credit counseling services from an approved agency but was unable to obtain the services during the seven days from the time I made my request, and the following exigent circumstances merit a temporary waiver of the credit counseling requirement so I can file my bankruptcy case now. *[Summarize exigent circumstances here.]*

If your certification is satisfactory to the court, you must still obtain the credit counseling briefing within the first 30 days after you file your bankruptcy petition and promptly file a certificate from the agency that provided the counseling, together with a copy of any debt management plan developed through the agency. Failure to fulfill these requirements may result in dismissal of your case. Any extension of the 30-day deadline can be granted only for cause and is limited to a maximum of 15 days. Your case may also be dismissed if the court is not satisfied with your reasons for filing your bankruptcy case without first receiving a credit counseling briefing.

4. I am not required to receive a credit counseling briefing because of: *[Check the applicable statement.]* *[Must be accompanied by a motion for determination by the court.]*

Incapacity. (Defined in 11 U.S.C. § 109(h)(4) as impaired by reason of mental illness or mental deficiency so as to be incapable of realizing and making rational decisions with respect to financial responsibilities.);

Disability. (Defined in 11 U.S.C. § 109(h)(4) as physically impaired to the extent of being unable, after reasonable effort, to participate in a credit counseling briefing in person, by telephone, or through the Internet.);

Active military duty in a military combat zone.

5. The United States trustee or bankruptcy administrator has determined that the credit counseling requirement of 11 U.S.C. § 109(h) does not apply in this district.

I certify under penalty of perjury that the information provided above is true and correct.

If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112; Fed. R. Bankr. P. 1007(m).

**UNITED STATES BANKRUPTCY COURT
WESTERN DISTRICT OF TENNESSEE**

**NOTICE TO CONSUMER DEBTOR(S) UNDER § 342(b)
OF THE BANKRUPTCY CODE**

In accordance with § 342(b) of the Bankruptcy Code, this notice to individuals with primarily consumer debts: (1) Describes briefly the services available from credit counseling services; (2) Describes briefly the purposes, benefits and costs of the four types of bankruptcy proceedings you may commence; and (3) Informs you about bankruptcy crimes and notifies you that the Attorney General may examine all information you supply in connection with a bankruptcy case.

You are cautioned that bankruptcy law is complicated and not easily described. Thus, you may wish to seek the advice of an attorney to learn of your rights and responsibilities should you decide to file a petition. Court employees cannot give you legal advice.

Notices from the bankruptcy court are sent to the mailing address you list on your bankruptcy petition. In order to ensure that you receive information about events concerning your case, Bankruptcy Rule 4002 requires that you notify the court of any changes in your address. If you are filing a **joint case** (a single bankruptcy case for two individuals married to each other), and each spouse lists the same mailing address on the bankruptcy petition, you and your spouse will generally receive a single copy of each notice mailed from the bankruptcy court in a jointly-addressed envelope, unless you file a statement with the court requesting that each spouse receive a separate copy of all notices.

1. Services Available from Credit Counseling Agencies

With limited exceptions, § 109(h) of the Bankruptcy Code requires that all individual debtors who file for bankruptcy relief on or after October 17, 2005, receive a briefing that outlines the available opportunities for credit counseling and provides assistance in performing a budget analysis. The briefing must be given within 180 days before the bankruptcy filing. The briefing may be provided individually or in a group (including briefings conducted by telephone or on the Internet) and must be provided by a nonprofit budget and credit counseling agency approved by the United States trustee or bankruptcy administrator. The clerk of the bankruptcy court has a list that you may consult of the approved budget and credit counseling agencies. Each debtor in a joint case must complete the briefing.

In addition, after filing a bankruptcy case, an individual debtor generally must complete a financial management instructional course before he or she can receive a discharge. The clerk also has a list of approved financial management instructional courses. Each debtor in a joint case must complete the course.

2. The Four Chapters of the Bankruptcy Code Available to Individual Consumer Debtors

Chapter 7: Liquidation (\$245 filing fee, \$39 administrative fee, \$15 trustee surcharge: Total Fee \$299)

Chapter 7 is designed for debtors in financial difficulty who do not have the ability to pay their existing debts. Debtors whose debts are primarily consumer debts are subject to a "means test" designed to determine whether the case should be permitted to proceed under chapter 7. If your income is greater than the median income for your state of residence and family size, in some cases, the United States trustee (or bankruptcy administrator), the trustee, or creditors have the right to file a motion requesting that the court dismiss your case under § 707(b) of the Code. It is up to the court to decide whether the case should be dismissed.

Under chapter 7, you may claim certain of your property as exempt under governing law. A trustee may have the right to take possession of and sell the remaining property that is not exempt and use the sale proceeds to pay your creditors.

The purpose of filing a chapter 7 case is to obtain a discharge of your existing debts. If, however, you are found to have committed certain kinds of improper conduct described in the Bankruptcy Code, the court may deny your discharge and, if it does, the purpose for which you filed the bankruptcy petition will be defeated.

Even if you receive a general discharge, some particular debts are not discharged under the law. Therefore, you may still be responsible for most taxes and student loans; debts incurred to pay nondischargeable taxes; domestic support and property settlement obligations; most fines, penalties, forfeitures, and criminal restitution obligations; certain debts which are not properly listed in your bankruptcy papers; and debts for death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs. Also, if a creditor can prove that a debt arose from fraud, breach of fiduciary duty, or theft, or from a willful and malicious injury, the bankruptcy court may determine that the debt is not discharged.

Chapter 13: Repayment of All or Part of the Debts of an Individual with Regular Income (\$235 filing fee, \$39 administrative fee: Total fee \$274)

Chapter 13 is designed for individuals with regular income who would like to pay all or part of their debts in installments over a period of time. You are only eligible for chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.

Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, using your future earnings. The period allowed by the court to repay your debts may be three years or five years, depending upon your income and other factors. The court must approve your plan before it can take effect.

After completing the payments under your plan, your debts are generally discharged except for domestic support obligations; most student loans; certain taxes; most criminal fines and restitution obligations; certain debts which are not properly listed in your bankruptcy papers; certain debts for acts that caused death or personal injury; and certain long term secured obligations.

Chapter 11: Reorganization (\$1000 filing fee, \$39 administrative fee: Total fee \$1039)

Chapter 11 is designed for the reorganization of a business but is also available to consumer debtors. Its provisions are quite complicated, and any decision by an individual to file a chapter 11 petition should be reviewed with an attorney.

Chapter 12: Family Farmer or Fisherman (\$200 filing fee, \$39 administrative fee: Total fee \$239)

Chapter 12 is designed to permit family farmers and fishermen to repay their debts over a period of time from future earnings and is similar to chapter 13. The eligibility requirements are restrictive, limiting its use to those whose income arises primarily from a family-owned farm or commercial fishing operation.

3. Bankruptcy Crimes and Availability of Bankruptcy Papers to Law Enforcement Officials

A person who knowingly and fraudulently conceals assets or makes a false oath or statement under penalty of perjury, either orally or in writing, in connection with a bankruptcy case is subject to a fine, imprisonment, or both. All information supplied by a debtor in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the United States Trustee, the Office of the United States Attorney, and other components and employees of the Department of Justice.

WARNING: Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information regarding your creditors, assets, liabilities, income, expenses and general financial condition. Your bankruptcy case may be dismissed if this information is not filed with the court within the time deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and the local rules of the court. The documents and the deadlines for filing them are listed on Form B200, which is posted at http://www.uscourts.gov/bkforms/bankruptcy_forms.html#procedure.

Many filing deadlines change on December 1, 2009. Of special note, 12 rules that set 15 days to act are amended to require action within 14 days, including Rule 1007(c), filing the initial case papers; Rule 3015(b), filing a chapter 13 plan; Rule 8009(a), filing appellate briefs; and Rules 1019, 1020, 2015, 2015.1, 2016, 4001, 4002, 6004, and 6007.

DISCHARGE OF DEBTOR

It appears that the debtor is entitled to a discharge. **IT IS ORDERED:** The debtor is granted a discharge under section 727 of title 11, United States Code (the Bankruptcy Code).

BY THE COURT:

United States Bankruptcy Judge

Dated: June 2, 2010

**SEE THE BACK OF THIS ORDER FOR IMPORTANT INFORMATION
EXPLANATION OF BANKRUPTCY DISCHARGE**

Case 10-10591 Doc 10 Filed 06/02/10 Entered 06/02/10 15:41:31 Desc Ch7/11
Discharge Page 2 of 2
IN A CHAPTER 7 CASE

This court order grants a discharge to the person named as the debtor. It is not a dismissal of the case and it does not determine how much money, if any, the trustee pays to creditors.

Collection of Discharged Debts Prohibited

The discharge prohibits any attempt to collect from the debtor a debt that has been discharged. For example, a creditor is not permitted to contact a debtor by mail, phone, or otherwise, to file or continue a lawsuit, to attach wages or other property, or to take any other action to collect a discharged debt from the debtor. *[In a case involving community property: There are also special rules that protect certain community property owned by the debtor's spouse, even if that spouse did not file a bankruptcy case.]* A creditor who violates this order can be required to pay damages and attorney's fees to the debtor.

However, a creditor may have the right to enforce a valid lien, such as a mortgage or security interest, against the debtor's property after the bankruptcy, if that lien was not avoided or eliminated in the bankruptcy case. Also, a debtor may voluntarily pay any debt that has been discharged.

Debts That Are Discharged

The chapter 7 discharge order eliminates a debtor's legal obligation to pay a debt that is discharged. Most, but not all, types of debts are discharged if the debt existed on the date the bankruptcy case was filed. (If this case was begun under a different chapter of the Bankruptcy Code and converted to Chapter 7, the discharge applies to debts owed when the bankruptcy case was converted.)

Debts That Are Not Discharged

Some of the common types of debts which are not discharged in a chapter 7 bankruptcy case are:

- a. Debts for most taxes;
- b. Debts that are in the nature of alimony, maintenance, or support;
- c. Debts for most student loans;
- d. Debts for most fines, penalties, forfeitures, or criminal restitution obligations;
- e. Debts for personal injuries or death caused by the debtor's operation of a motor vehicle while intoxicated;
- f. Some debts which were not properly listed by the debtor;
- g. Debts that the bankruptcy court specifically has decided or will decide in this bankruptcy case are not discharged.
- h. Debts for which the debtor has given up the discharge protections by signing a reaffirmation agreement in compliance with the Bankruptcy Code requirements for reaffirmation of debts.

This information is only a general summary of the bankruptcy discharge. There are exceptions to these general rules. Because the law is complicated, you may want to consult an attorney to determine the exact effect of the discharge in this case.
